

# Movement Studies

ARTS 308 (Sculpture) mini-show

**When:** 8am, April 3 – 12pm, April 5

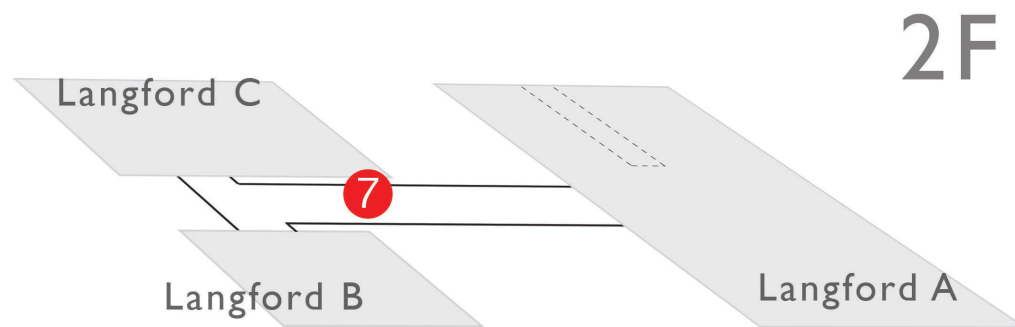

**Where:** Various locations around Langford A, B and C

*Movement Studies* is the third mini exhibition of sculptures and installations by ARTS 308 students this semester. Art projects explore kinesthetic qualities of body and nature. 11 projects will be exhibited at the show and some projects invite active audience participants. Please come to the show and experience them.
